Show  
must  
go on

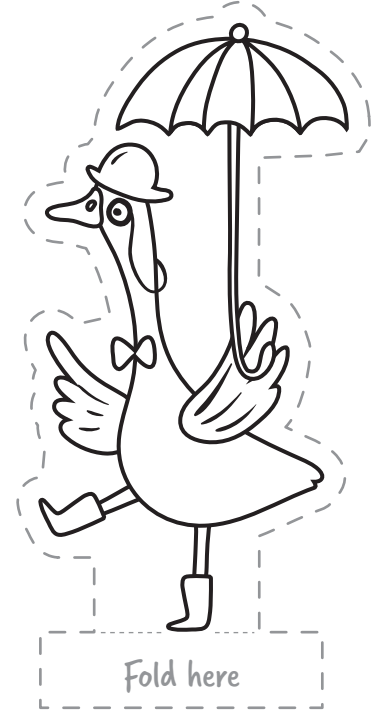

### Make your mark - The stage is yours!

1. Set up stage by colouring it in.
2. Give your characters some personality!
3. Get a grown-up to help you cut out your characters along the dotted line.
4. Glue them to some thin cardboard, like a cereal box.
5. Fold along the bottom edge so they can stand upright.
6. Ask to borrow a grown-up's phone to record your movie on.
7. Lights, camera, action! Film your movie and send it in at [#supportchippytheatre](https://twitter.com/supportchippytheatre)
